Dear Cor de Boon:

I am pleased to endorse the Knights of Columbus' 2012 Help Save a Life calendar project. Human life is a wondrous and beautiful gift of God, and it is good to see the promotion of that gift through the eyes of the students who have contributed to this calendar. It is my hope and prayer that these efforts will help people realize and appreciate the truth of Pope Benedict's statement in his first homily, that each individual person is willed, loved, and necessary in the sight of God.

Sincerely in Christ,

✠Richard W. Smith
Archbishop of Edmonton
